## Quick Start Guide

On the VIS website the first thing you come to is a video presentation page. There are a couple things you want to do while on this page.

- First you want to bookmark the page to find your way back easily if you are interrupted or get lost for any reason.
- Second you want to do is write down your sponsor's info. Your sponsor can be a great help getting you going your first few days.
- Next you want to watch the video. It gives a rundown on what we do and how to get signed up with VIS and Instant Rewards.

After following the steps above and watching the video your next step is to scroll down to the blue "Click Here" below the video.

Once you click the link you will be brought to the next video page. This video is a set up video and tells you how to create an account with Instant rewards. You will want to bookmark this page too.

After watching the video you will click

This will take you to the Instant Rewards Starter site. You will need to create an account with Instant Rewards before you continue on with the rest of the steps.

### Instant Rewards

These next steps will tell you how to create an account and get qualified to start earning money.

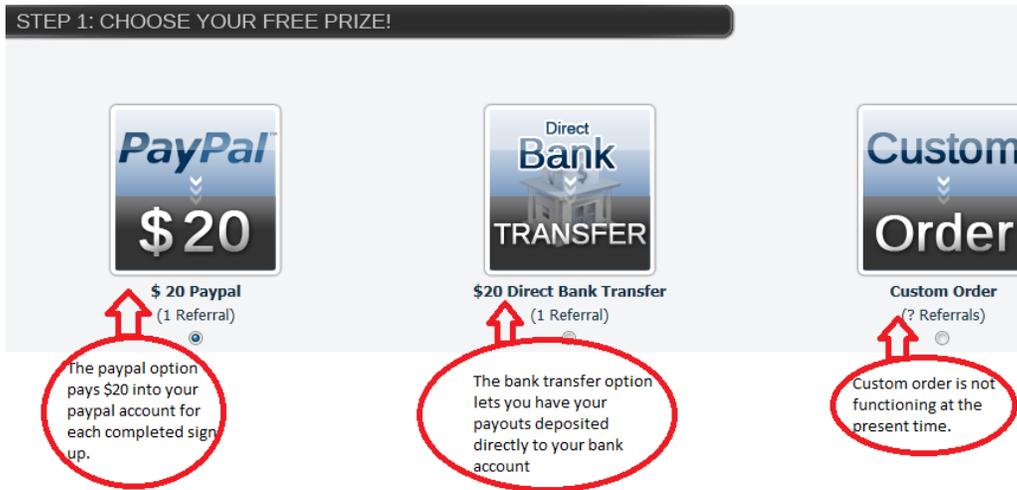

All you need to do is:

- Pick your prize
- Create an account
- Complete offer requirements
- Return to your sponsor's webpage and continue to Step 2

## Instant Rewards Step 1: Pick Your Prize

Your prize is what Instant Rewards will pay you for each completed sign up. We would suggest the PayPal option to begin as it is the fastest way to be paid and can always be changed later.

STEP 1: CHOOSE YOUR FREE PRIZE!

The screenshot shows three prize options, each with a red circle around it and an arrow pointing to a text box:

- \$ 20 Paypal (1 Referral)**: The paypal option pays \$20 into your paypal account for each completed sign up.
- \$20 Direct Bank Transfer (1 Referral)**: The bank transfer option lets you have your payouts deposited directly to your bank account.
- Custom Order (? Referrals)**: Custom order is not functioning at the present time.

If you don't have a PayPal account you can create one at [www.PAYPAL.COM](http://www.PAYPAL.COM) It's easy, takes only a few minutes to create and is free. (If you don't already have PayPal, just use your regular email address in the field for the PayPal email address.)

## Instant Rewards Step 2: Enter Email

STEP 2: REGISTER OR EXTEND YOUR EXISTING ACCOUNT!!

You are being referred by Kelly -- User ID [REDACTED]

<p><b>You have <u>not met the offer requirements!</u> You need <u>1 credit.</u></b>            Complete enough offers to add up to 1 credit. Simply add up the credit values of the offers you complete.            If you completed an offer and have waited the appropriate amount of time you can file a <u>credit request.</u></p>		

Notice it says “No offers credited!” In order to receive payments you need to have the requirements met. To meet requirements you need 1 credit worth of offers. Below is a synopsis of the offers and how to get your 1 credit.
